

MRS CHILD

TAWNY OWLS 1

All about me

I grew up in Derbyshire but have lived in Verwood for many years. I first started teaching at Hillside 22 years ago.

I am married with 4 children. We have two tortoises called Bernard and Ernest.

At weekends we get together with family and friends and enjoy days out at the beach and walking in the woods.

I enjoy painting, watching films and playing card games with the family. We love to go camping in our rainbow tent.
