

Meet our heroes

Beth has been playing cricket with the Verwood girls team for just under a year and has been loving it! It's a fab team and Beth has grown in confidence so much over that time.

Great Job!

Beth especially loves bowling and has just been successful in joining County cricket under 11s talent pathway!

George won man of the match recently playing for his Verwood Town Eagles U7 team.

They played away at Stalbridge on a much larger pitch to what they are used to and 6 aside. Lots of running with rosy cheeks at the end, but they all really enjoyed the game!
