

Meet our heroes

Romeo has had the opportunity to train with Southampton FC development centre.

Logan, who had previously been too shy to join the local football team, found the courage to join 6 weeks ago.

Logan has been enjoying his training every Saturday and recently took part in his first match against Ringwood FC, and they **WON 5-4.**

Logan not only played, but he won Man of the Match!

Logan's family are so proud of him for overcoming his fears and absolutely smashing it! Logan is their Hero, always!

Romeo has played football since he could walk and has been training hard both with his Verwood team and at Southampton.
