

Memory Box

As part of our first topic 'All About Me' we would like the children to make a memory box. Please can these be brought in during the first week of term. We will be sharing our Teacher memory boxes with the children on the home visits.

This can include:

- photos of the child in the past or present
- photos or drawings of pets, family and friends
- objects or photos of objects to show things they enjoy
- drawings or art work
- a favourite book
- anything to represent things they enjoy!

Please can we also have a family photo at the home visit so we can identify family with the children. These will be kept securely and used as part of the topic. Any questions please ask the office.
