

## **Welcome to a Super School Year 2025-26!**

Hi everyone! We're so excited for the new school year! Our school is a place where you can learn amazing things, make new friends, and have lots of fun. We want every single one of you to feel happy, safe, and ready to shine!

**Here's how we're going to make our school even more awesome this year:**

### **1. Super Teachers & Fun Lessons!**

**Awesome Teachers and Teaching Assistants:** Our teachers, teaching assistants, and all the grown-ups at school are always learning new ways to make lessons exciting and helpful. This means you'll have brilliant lessons and a well-organised school, led by a team that truly cares about you!

**Exciting Subjects:** Get ready for amazing learning adventures in English, Maths, Science, P.E., History, and so much more! We're planning fun ways for you to learn lots of new things, remember what you've learned before, and get even better by knowing and remembering more.

**Clever Teaching Tricks:** Our teachers are learning the very best ways to teach, so lessons are super clear, fun, and just right for helping you understand and remember everything you learn.

### **2. Being a Learning Superstar!**

**Fantastic Reading, Writing & Maths:** You're already doing brilliantly! We'll keep helping you become amazing readers, brilliant writers, and maths superstars. Our goal is for you to be the best you can possibly be!

**Good Manners & Happy School:** We'll all work together to be kind, respectful, and create a positive, happy school. We also want to work even more closely with your grown-ups at home to make school an even better place!

**Coming to School is Cool:** Being at school every day helps you learn lots and have fun with your friends. We want everyone to come to school as much as possible so you don't miss out on any of the amazing learning and fun!

### **3. Feeling Happy & Safe!**

**Growing & Feeling Good:** Your feelings are super important! We'll help you understand your emotions, learn about British Values (like respect and fairness), and even start thinking about cool jobs you might want when you grow up. We want you to feel happy and supported.

**Everyone Can Shine:** We want to make sure every child, including those who might need a little extra help, can join in all the fun lessons and get the support they need. We want everyone to have an equal chance to learn and do their very best!

**Great Start for Our Youngest Stars (Reception):** For our little ones starting school, we have special plans to make sure they have a fantastic first year. It's all about building a super strong start for their school journey!

**Staying Safe is Our Top Job:** Your safety is the most important thing to us. We're always making sure our school is a safe place and that all the grown-ups know how to keep you safe and sound. You can be confident that you're well looked after here.

We're so excited for all the fun and learning we'll have together this year. We can't wait to see you shine, and remember, you will be at the heart of everything we do!
