

# Meet our heroes

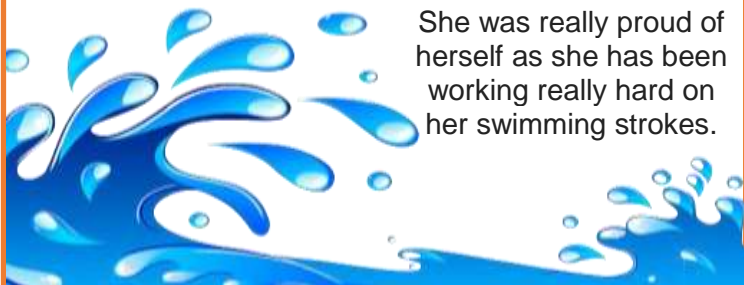

Millie recently completed Stage 6 in swimming.

**Amazing Millie, well done!**

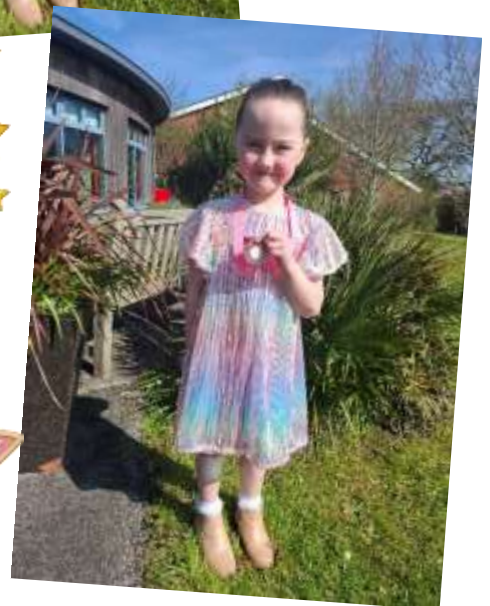

She was really proud of herself as she has been working really hard on her swimming strokes.

Kenzie has made such a great effort in building up her confidence in doing Ballet lessons.

She recently took part in a show in front of family members and received a medal for doing this.

This is a massive step for her and as parents we are so very proud of what she has achieved.

**Fantastic Kenzie, well done!**
