

# Meet our heroes

Over the Easter break, Iris learned to ride her bike independently.

We are so proud of her confidence in learning to ride her bike, and persevering and practising until she had mastered it!  
Well Done Iris!

**Amazing Iris, well done!**

Over the Easter holidays, Charlotte had a week intensive swimming course. By the end she no longer needs arm bands and jumped into the deep end of the big pool.

She did amazingly well and has levelled up to stage 3.  
Well done Charlotte!

**Fantastic Charlotte, well done!**
