

# Meet our heroes

A huge shout out to Zack, who has been an absolute superstar at the Verwood Tournament recently. From helping carry crates and set up on Friday after school, to working from 6.30am to 5.00pm on both Saturday and Sunday, he has been a massive help throughout.

Whether it was serving on the kiosk, taking money, litter picking or restocking drinks, he was always willing to help wherever needed.

With his own football session cancelled this weekend, Zack could have enjoyed some time off, but instead he chose to give up his weekend to support the club and tournament.

Thank you, Zachary. Your hard work, positive attitude and commitment have been amazing. You are a real credit to yourself and the club.

**Fantastic Zack,  
well done!**

Oliver spends some weekends going to different steam shows with his Grandad and Uncle.

This weekend we were at Moors Valley, and he and was very excited to be able to drive his Grandad's steam engine all by himself.

**Amazing Oliver, well done!**
