

Max played in a Lynx Tour golf tournament at Sturminster Marshall and came first in his Under 7's group. He also played in a team event there during the summer holidays, and his team came first too.

We are so proud of all the hard work and dedication Max has put in to practicing his golf this year. Well done, Max.

Over the summer, Josiah did the Verwood Horticultural society scavenger hunt to collect lots of items from nature and summer days out. He also worked really hard to decorate the bag.

Josiah won the prize for the best decorated bag for his age group!
